My favourite Mug

I have a favourite mug. My mother gave it to me on my birthday last month. It is a white mug with my name written on it and under my name is written the date of my birthday.

My mug color is white. It made from ceramic. It has a handle so I can use it to drink hot milk. I use it everyday. I usually make coffee or tea use my mug. Whatever I drink, I will use it. I really like my mug. I do not let other people using it.

I always be careful when I used my mug because it can break. So after I use it I stake it on the table. Although it's just a mug but I really like my mug because it was a prize from my lovely mother.
