The interview recording was served in the form of soft copy attached in the CD.

❖ INTERVIEW TRANSCRIPT

a) Data source 1

1) What do you think about English department?

In my opinion it is the department which is pretty difficult, because everything has correlation with English that sometimes difficult to understand. But maybe the benefit is later in the work life need many employee who have English skill

2) Do you have own interest to enter this department?

I absolutely do not have interest in this department, I know if may be this department has prestige value, but I feel I am not talented in it, because I feel talent will affect the result.

3) Is English department as your own first choice department to enter university?

Of course it is not my prime choice. I am more interested in economy department because I want to work in Bank.

4) What is your reason made you enter this department?

It is pure because of my parent.

5) Is there any advices from another that make you take this department?

Yes, from my parent, because my parents think that there are prospects for this department, so that they advice me to enter this department.

6) What do you think after you follow the learning process in this department?

At the early I feel inferior, but after met many friends who have good ability in English, it makes me enthusiastic and interest to learn.

7) Are you starting interested in English department after you follow the learning process?

I am not really feel interest in it, but the environment makes me just enjoy the process.

8) Do you have problem in learning in this department? how do you solve it?

There are so many problems that I found, one of them in the extensive reading subject. The way to solve it, first I always remember that there are my parent who have big hope to me, then try to convince myself that I should give my best achievement for them.

9) How can you survive yourself in this department though you find many problems in it?

Because I think that I have been so far walk in this way, so everything happens I should do my best for my parent, I should survive myself in this department and try to do my best for them.

10) What is your goal for your study in this department?

I can graduated, and get my licensed to looking for a job but I do not want to work in the field of English.

11) Do you find something along learning process in this department that could build your interest in this department?

No, all of the process is feel usual.

12) What is your reason to sustain in this department though you are not interested in this department?

Only because of my parent, they have been work hard for my study in this department, so I should make them proud of me.

13) What is your motivation in learning in this department?

My motivations only come from my parent.

14) Is there any motivation that pure come from yourself?

There are no motivations that pure come from myself. That is only affected by my parent.

15) Is there any motivation that affected by another?

Yes, my parent ask me to enter this department because they think this department really good for my future.
