MOTTO

“Success is not key to happiness. Happiness is the key to success.

If you love what you are doing, you will be successful.”

(Herman Cain)

DEDICATION

The Writer dedicated this thesis to :

1. Allah SWT and Nabi Muhammad SAW who always guide and take care the writer to be a good person.
2. The writer's parent (Mr. Mujiat Amir F and Mrs. Sulastri) who always has honesty sincerity to grow up the writer, educating, accompanying and praying for the writer until getting success and their greatest live and support the writer at all until can accomplish this thesis.
3. The writer's sister Chintya who always, supporting and praying, so the writer better than before.
4. The writer's close friend Afton Gustama, who always supporting, motivating, always remind the writer to never give up, accompanying, and pray for the writer.
5. The writer's friends, Anis, Ratna, Karina, Piga and all my calssmate in English Departement.
6. All English lecturers, the writer stated thanks for the guidance.

ACKNOWLEDGE

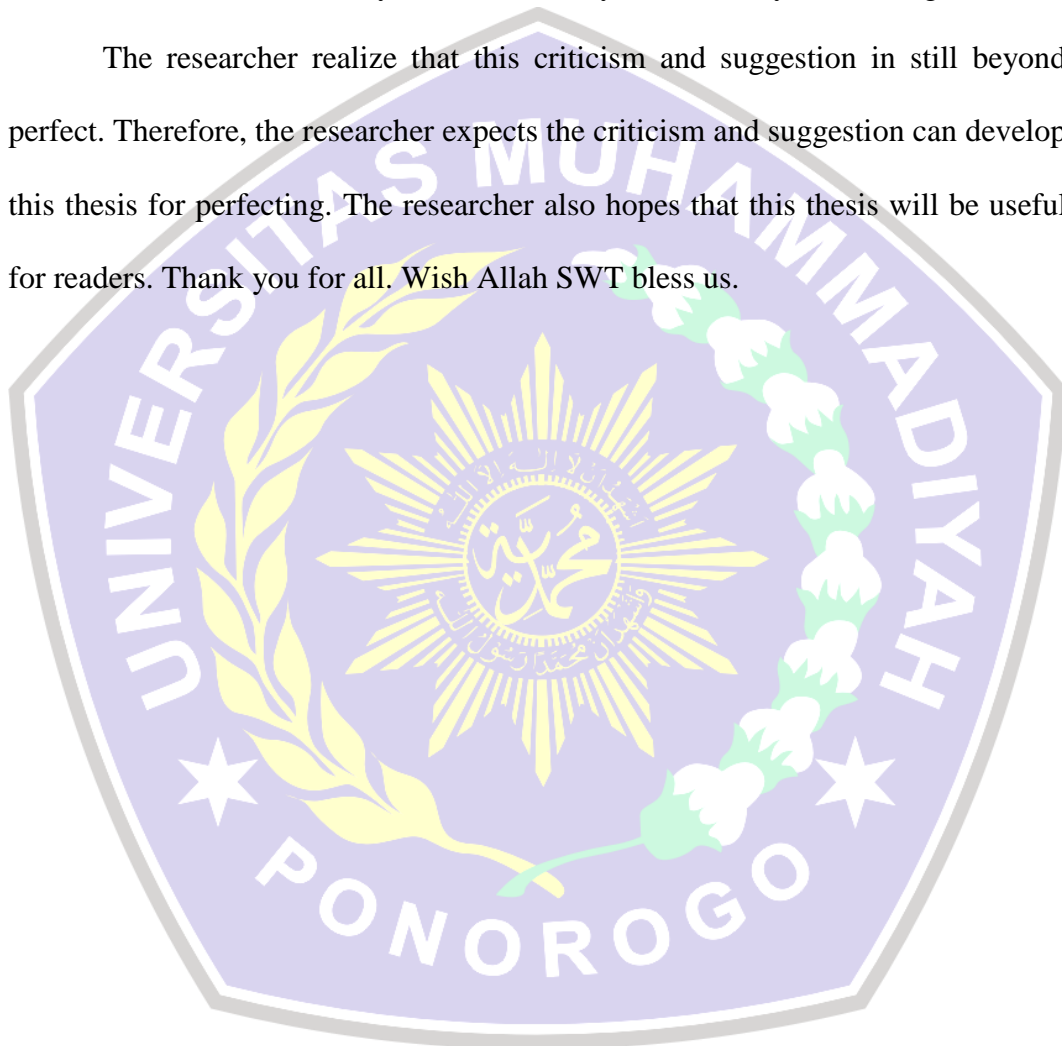

Alhamdulillah, thanks to Allah SWT for His Blessing and guidance, so that the writer can finish this thesis. Peace may be always upon noble prophet Muhammad SAW, his family and his companions who guides and constitutes the best way of life for us.

In arranging and finishing the thesis, the researcher got helps from many people. Therefore, the researcher would like to extend deepest gratitude to:

1. Drs Jumadi, M.Pd, as the Dean of Teacher Training and Education Faculty of Muhammadiyah University of Ponorogo who has given permission to the researcher to conduct the research.
2. Risqi Ekanti Ayuningtiyas Palupi, M.Pd as the chief of English Department of Teacher Training and Education Faculty of Muhammadiyah University of Ponorogo who has given permission and suggestion to conduct the research.
3. Restu Mufanti M.Pd as the first advisor who has given guidance, advice, suggestion, and information from beginning until completion to the researcher to write this thesis.
4. Siti Asiyah M.Pd as the second advisor who has given guidance, advice, suggestion, and information from beginning until completion to the researcher to write this thesis.
5. Headmaster of SMP N 1 Siman Ponorogo who has given permission to conduct the research in the school.

6. Purwaningsih S.Pd as the English teacher at the eight grade of SMP N 1 Siman Ponorogo who has given opportunity to conduct the research in the class VIII E and VIII F.
7. All lecturers of English Department of Teacher Training and Education Faculty of Muhammadiyah University of Ponorogo.

The researcher realize that this criticism and suggestion in still beyond perfect. Therefore, the researcher expects the criticism and suggestion can develop this thesis for perfecting. The researcher also hopes that this thesis will be useful for readers. Thank you for all. Wish Allah SWT bless us.

ABSTRACT

Melissa, Astry Jenny. 2017. *The Effectiveness of Suggestopedia Method in Teaching Speaking At The Eight Grade of SMP N 1 Siman Ponorogo in the Academic Year of 2016/2017.* Thesis. Departement of english Education. The Faculty of Teacher Training and Education Muhammadiyah University of Ponorogo. Advisors: (1) Restu Mufanti M.Pd, (2) Siti Asiyah, M.Pd.

Keyword : Suggestopedia Method, Speaking Skill, Teaching Speaking.

The research question of this research was “To what extent the effectiveness of Suggestopedia Method Toward Students’ Speaking at the Eight Grade Students of SMP N 1 Siman Ponorogo?”. The purpose of the study was to know the effectiveness of Suggestopedia Method in Teaching Speaking at the Eight Grade Students of SMP N 1 Siman Ponorogo. The population of this research was the students at the eight grade of SMP N 1 Siman Ponorogo in the academic year of 2016/2017. In this research, the samples were the students of class VIII E and VIII F. Each of class had 22 students, so the total numbers of samples are 44 students. Based on the result of the research, the use of Suggestopedia method was effective in teaching speaking at the eight grade of SMP N 1 Siman. It could be seen in pre test, using result of independent sample T-test by both of the same variance assumption to hypothesis $H_0 : \mu_1 = \mu_2$ toward $H_a : \mu_1 \neq \mu_2$ that given value $t_{\text{calculate}} = 1,584$ with free of degree $n_x + n_y - 2 = 22 + 22 - 2 = 42$ and P-value (2-tailed) 0,121. Because $P\text{-value} > \alpha = 0.05$, so H_0 accepted and H_a was rejected. Thus could be concluded that in pre test was not different therefore it may for doing treatment. From result of post test, using result of independent sample T-test by both of the same variance assumption to hypothesis $H_0 : \mu_1 = \mu_2$ toward $H_a : \mu_1 \neq \mu_2$ that given value $t_{\text{calculate}} = 4,560$ with free of degree $n_x + n_y - 2 = 22 + 22 - 2 = 42$ and P-value (2-tailed) 0,000. Because $P\text{-value} > \alpha = 0.05$, so H_0 was rejected and H_a accepted. Therefore it could be concluded that there were a differences between post test in experiment class and post test in control class after done treatment. It means that the significant different between the score of the students’ speaking ability before and after being taught by using Suggestopedia method. Then, The result of questionnaire of students’ experiment class was 84,1% and the control class was 79,6%. It means that the positive response from students during learning process.
