Participant 2. FR

Researcher	:	Hello Fitria, how are you today?
Participant	:	I'm fine. And you?
Researcher	:	Alhamdulillah I'am fine too. Emm.. Fitria, today I want to ask you about slang, slang language. Actually, there are so many question, not so many but just nine questions about slang language. Ok Emma, what do you know about slang language? I'm sorry Fitria, hehehehe.
Participant	:	Slang language is emm... slang language is language used by young generation to make emm.. exist in society.
Researcher	:	Owh.. So slang language based on your opinion is the language which is used by young generation in society. Ok, and then Fitria, did you ever find slang language?
Participant	:	Yes.
Researcher	:	And where you always find about slang language?
Participant	:	Because slang language is easy to use and to make exist in society and to make intime in what is.. emm.. respo.. res.. relationship emm... with other partner in society.
Researcher	:	Ok. And then Fitria, where you find those slang language itself?
Participant	:	In facebook, in daily communication, in whatsapp and many other applications.
Researcher	:	Moreover, as I know you are also young generation right? Hehehe. And then, when do you use that language?
Participant	:	Emm... I use in sos emm... slang language in to make a status, emm... to make update status in application, sociality, in BBM, Whatsapp, and facebook.

Researcher	:	And then, according to you who is the most use emm... who is the use people who usually use the slang language?
Participant	:	Young generation.
Researcher	:	Young generation, but please give me the specific example
Participant	:	Emm... citizen, especially in teenager, in high school student, in emm... in emm... class twelve and other.
Researcher	:	Hmm... Ok, and then according to your experience Fitria, what is the impact of using the slang language?
Participant	:	The impact ins... emm... slang language in my emm... slang language to make exist in society and to make easy to study English learning and to make critical thinking about emm... language and each other.
Researcher	:	Oh yeah, so slang language gives impacts, positive impact, yeah? And then, do you think that slang language is also give negative impact or bad impact for the young generation?
Participant	:	Yes. Emm... slang language make... emm... the... young generation lazy to writing in the in the message and to communication is emm... make a bad communication misunder... emm... misunderstanding about emm... message emm... to other partner message
Researcher	:	Ok. As we know that slang language has good and bad impact. So, will you continue of using the slan language Fitria?
Participant	:	I will use emm... slang language because slang language is a practice and emm... slang language is to make emm... easy to communication, to make exist in social media.
Researcher	:	Ok Emma, I have asked you about the nine questions and then thank you very much for your time and this chance that you have given to me. Keep spirit and good luck for your learning and thank you very much. Wassalamu'alaikum Emma.
Participant	:	Wa'alaikumsalam.

Participant 3. RW

Researcher	:	Assalamu'alaikum Warohmatullahi Wabarokatuh Riana.
Participant	:	Wa'alaikumsalam Warohmatullahi Wabarokatuh Mbak.

Researcher	:	Ok Riana, today I would like to ask about slang language. there are nine questions about slang language for you. And the first questions is what do you know about slang language, Riana?
Participant	:	Emm... I think slang language is emm... not formal language that used by teenager.
Researcher	:	That is used by teenager. OK, and then where you usually find the slang language Riana?
Participant	:	Emm... on social media and television, maybe.
Researcher	:	Oh, So, social media and television is the media to deli... emm... where you find slang language, like that, right? And then, when do you use those kinds of language, Riana?
Participant	:	When I communicate with my friend, via whatsapp, BBM, etc and when I update status on social media.
Researcher	:	Why do you use the slang language?
Participant	:	Because simple and sort to used
Researcher	:	Owh, so because of simple you use it, hehe effective and efficient, right? Hehehe. And then Riana, as you know that you always use slang language, you are teenager or adult now?
Participant	:	Adult, maybe.
Researcher	:	Adult? Hehehe. So, according to you who is the most often use slang language?
Participant	:	Emm... Whatsapp, emm... BBM, emm... Facebook.
Researcher	:	Who is always use slang language?
Participant	:	Emm... emm... the most is teenager but adult is also use it.
Researcher	:	Ok, and then according to your experience Riana, what is the impact of using slang language?
Participant	:	I think we can know the trends, the language trends today and we are not out date, out of date in using language.
Researcher	:	Owh, so by using slang language we are more up to date, like that right. And then, emm... moreover Riana, about the slang language, is it give impact for us about bad impact?
Participant	:	Emm... bad impact?
Researcher	:	I mean like this, actually slang language give impact for teenager or the user of slang

		language, right? And then, the impact is just positive or also negative for you?
Participant	:	positive
Researcher	:	just positive, and then, there is no negative impact about slang language?
Participant	:	I think no.
Researcher	:	Owh, ok. And then Riana, will you continue using the slang languages?
Participant	:	Yes.
Researcher	:	Why?
Participant	:	because it is simple language used in daily life.
Researcher	:	Owh ok, because slang is the simple language so you will always use it, right? Ok Riana, that is the last question, thank you very much for today and wassalamu'alaikum warohmatullahi wabarokatuh.
Participant	:	Wa'alaikumsalam Warohmatullahi Wabarokatuh.

Participant 4. IWR

Researcher	:	Assalamu'alaikum Warohmatullahi Wabarokatuh Ina.
Participant	:	Wa'alaikumsalam Warohmatullahi Wabarokatuh.
Researcher	:	Ok Ina, today I want to ask you some questions about slang language. And then Ina, what do you know about slang language?
Participant	:	Emm... slang language is non formal language maybe.
Researcher	:	Owh yeah, slang language is non formal language. And then, where do you know about slang language, where do you find about slang language?
Participant	:	I can find slang language in social media and daily activity.
Researcher	:	So, you never find in your lecture material and also your book of English?
Participant	:	Emm... yes, I find.
Researcher	:	Find, but just a little, like that?
Participant	:	Yes.

Researcher	:	Ok, and then, emm... Ina, do you ever use the slang language?
Participant	:	Yes, I ever.
Researcher	:	And then, when do you use those kinds of language?
Participant	:	When talk with friends and when make status in social media.
Researcher	:	Do you ever use it to do your assignment or make communication with your teacher?
Participant	:	Emm... I think emm... no.
Researcher	:	Yeah, no. Because that is informal, right? And then Ina, why do you use the slang language?
Participant	:	Because slang language is simple and practice to used.
Researcher	:	Ok, simple and practice. Emm... Ina, what kinds of social media that you use to deliver your slang or communicate with slang language?
Participant	:	Emm... in whatsapp, twitter, and BBM.
Researcher	:	Owh, yeah. And then, according to you, who is the most often using the slang language?
Participant	:	I think teenager and adult.
Researcher	:	Teenager and adult. So, for children, they don't know. Moreover, what about old people?
Participant	:	Old people, I think no.
Researcher	:	Not at all, hehehe. Ok, and then emm... according to you, what is the impact of using slang language.
Participant	:	It became, become habit.
Researcher	:	Emm... what do you mean?
Participant	:	Emm... when we use slang language in daily activity or communication or in social media, I think it is simple to use and emm... I think emm... become habit because simple and practice and emm... <i>singkat gitu Mbak, cepet.</i>
Researcher	:	He'em. And then, that's the good habit or bad for you?
Participant	:	Emm... good.
Researcher	:	Good? Ok, and then do you think that slang language have the negative impact?

Participant	:	No.
Researcher	:	So, they have not bad impact?
Participant	:	I think emm... no.
Researcher	:	: Owh. So, slag language just brings positive impact for you. And then, will you continue of using the slang language?
Participant	:	Yes, I will.
Researcher	:	Because that's simple, practice, and also faster. Ok, thank you Ina. That's the last question and then thank you for your time and emm... you have given this chance to me and Wassalamu'alaikum Warohmatullahi Wabarokatuh.
Participant	:	Thank you, Wa'alaikumsam Warohmatullahi Wabarokatuh.

Participant 5. RK

Researcher	:	Hello, Assalamu'alaikum Warohmatullahi Wabarokatuh Retno.
Participant	:	Wa'alaikumsalam Warohmatullahi Wabarokatuh.
Researcher	:	Ok Retno, today I want to ask you 9 questions, 9 questions yeah, about slang language. And then directly I will ask, what do you know about slang language, Retno?
Participant	:	Hmm... I don't know more about slang language but emm... in my opinion slang language is the informal emm... the informal conversation, emm... the informal word.
Researcher	:	Informal conversation or informal word. And then, emm... where do you find the slang language?
Participant	:	maybe in social media, like twitter, facebook, or whatsapp.
Researcher	:	Ok, and then did you ever use that language?
Participant	:	Hmm... no.
Researcher	:	Did you ever, pernah pake' gak?
Participant	:	No emm... seldom.
Researcher	:	Seldom, but still use it, right? And then when do you use those kinds of language?
Participant	:	Maybe when I meet with my close friend or my friends.
Researcher	:	Oh yes. So, if you communicate with your friends, you always, not always but ever use the slang language. And then about social media, do you ever making status by using the slang language?

Participant	:	emm... I think No.
Researcher	:	No? in facebook, twitter, and other are no?
Participant	:	emm... emm... I, I, I usually use formal language because I don't know emm... I don't like emm... slang language.
Researcher	:	Owh, you dislike with the slang language. And then, emm... so it means that you never or just ever
Participant	:	Emm... just ever but emm...but I use the slang language is emm... seldom
Researcher	:	Seldom, it's ok. Then, as you know that slang language is not good, right? Because it's informal and another. But why you still use it although it is seldom?
Participant	:	Emm...
Researcher	:	Kenapa kok masih pakek slang, kan gak suka slang, tapi kok tetep pernah pakek itu kenapa?
Participant	:	Karena terkadang itu nggak sadar.
Researcher	:	Owh unconscious. Ok, it's Ok. Because you always read about that, you always know about that so automatically you use that?
Participant	:	Yes.
Researcher	:	Hehehehehe... Ok. And then, please mention the social media that you use to communicate with slang.
Participant	:	Emm... facebook.
Researcher	:	Owh facebook. Sou, you can make status by using slang. Ok and then, according to you, who is the most often using slang language. who is the most often, yang menggunakan..
Participant	:	Emm... teenager, the teenagers I think.
Researcher	:	Owh, so the old and children never use the slang language, right? Hehehe. And then, according to your experience Dek Retno, what is the impact of using the slang language?
Participant	:	I think sometimes using slang language make the emm... the people can not understand emm... the... what we say.
Researcher	:	Hmm yeah, so it can make people understand?
Participant	:	No, emm... I means sometimes use slang language make emm... other, other people can not understand about what, what we say.
Researcher	:	Oh... so it means that if we say something with slang language, we have to know each

		other. For example if teenager with teenager so it can understand well but if teenager say to old people by using slang, they will not understand at all. Ok, and then as you know that slang language is not good for you. so, show me please ways to avoid the bad impact of slang language?
Participant	:	emm... I think use formal language or explain the main of the word.
Researcher	:	Oh. So, you choose the formal language and avoid slang at all, right? And then, will you continue of using slang language also just a little?
Participant	:	Emm... no.
Researcher	:	Just avoid it, like that. Ok, thank you very much Dek Retno, Wassalamu'alaikum Warohmatullahi Wabarokatuh.
Participant	:	Wa"alaikumussalam Warohmatullahi Wabarokatuh.

Participant 6. SA

Participant	:	emm... slang language is the language often use of teenager.
Researcher	:	Owh slang language is language which is used by teenager. And then where you can find slang language?
Participant	:	On daily communication, social media.
Researcher	:	Daily communication and social media. And did you ever use that language?
Participant	:	Emm... when communication with close friend
Researcher	:	When make communication with close friend. And then, why do you use the slang language?
Participant	:	Easy to communication.
Researcher	:	Have you ever make the communication, emm... I mean using slang language by social media?
Participant	:	Seldom.

Researcher	:	Seldom. Why?
Participant	:	I DON'T LIKE.
Researcher	:	Owh, dislike with slang language. And then, what kinds of application or social media that you use to deliver the slang language?
Participant	:	bbm, whatsapp
Researcher	:	And according to you, who is the most often use the slang language?
Participant	:	Emm... teenager, I think.
Researcher	:	Teenager. Not old people, right? Hehehe. And according to your experience, what is the impact of the using slang language?
Participant	:	More simple to communication.
Researcher	:	And then the impact? Just make you faster to write, to type, and another, like that?
Participant	:	emm... yes.
Researcher	:	Oh yeah, and then how is your way to avoid the bad impact. Do you think that slang language brings he bad impact for you?
Participant	:	Yeah.
Researcher	:	What's that?
Participant	:	Emm... bad impact because...
Researcher	:	Ada apa enggak bad impact-nya?
Participant	:	Ada.
Researcher	:	What is the bad impact?
Participant	:Emm.....
Researcher	:	Ok, and then emm... will you continue using the slang language?
Participant	:	No.
Researcher	:	Why?
Participant	:	Because it will be the bad habit.
Researcher	:	Owh, it will be bad habit for you. Ok, thank you very much... Sri Astutik, Wassalamu'alaikum Warohmatullahi Wabarokatuh.

Participant	:	Wa'alaikumussalam Warohmatullahi Wabarokatuh.
